ROTO KRAZE

ELIMINATOR LIGHTING

4 Effects in 1 Centerpiece Effect:
Beam • Wash • Laser • Animated LEDs

Roto Kraze is an all-in-one LED centerpiece effect light designed to transform any venue with dazzling beams, vibrant colors, laser projections, and dynamic wash effects. Featuring six powerful 15W RGBW LEDs, six 5W golden LEDs, red and green lasers, 108 RGB SMD LEDs, and four 10W RGBW LED's, the Roto Kraze creates an impressive combination of aerial effects, colorful patterns, and room-filling illumination.

With multiple operating modes including DMX, Primary-Secondary, Auto, Sound Active, and IR Remote control, the Roto Kraze offers flexibility for both professional lighting designers and mobile entertainers. Smooth 0-100% dimming and high-speed strobe capabilities allow users to create dramatic atmospheres ranging from elegant event lighting to energetic dance floor effects.

Its compact design, universal power supply, and lightweight construction make it ideal for mobile DJs, event production companies, nightclubs, bars, wedding venues, and stage performances. Whether used as a standalone centerpiece fixture or integrated into a larger lighting system, the Eliminator Lighting Roto Kraze delivers professional-grade visual impact in a versatile and easy-to-use package.
