ROTO BLADE

ELIMINATOR LIGHTING

4 Effects in 1 Moving Head:
Beam • Wash • Laser • Animated LEDs

Bring your light show to life with the Roto Blade, a powerful all-in-one LED centerpiece effect designed to create immersive aerial effects, colorful patterns, and energetic dance floor atmospheres. Featuring six 15W RGBW 4-in-1 LEDs, two 5W golden LEDs, dual red and green lasers, and 108 RGB SMD LEDs, the Roto Blade delivers a unique combination of moving beams, laser effects, and vibrant animated visuals.

Its motorized 540° pan and 180° tilt movement allows the fixture to sweep effects throughout the venue, filling the room with dynamic motion and color. Advanced control options including DMX, Primary-Secondary, Auto, Sound Active, and optional IR Remote operation make it suitable for both professional lighting setups and plug-and-play entertainment applications.

The Roto Blade's ultra-smooth dimming system ensures seamless intensity control, while multiple DMX channel modes provide flexibility for custom programming. Compact, lightweight, and easy to deploy, it is an ideal centerpiece fixture for nightclubs, lounges, bars, fun centers, stages and mobile event productions. Whether used as a standalone effect or integrated into a larger lighting system, the Eliminator Lighting Roto Blade delivers an impressive combination of beams, lasers, motion, and color that keeps audiences engaged all night long.
