

Focus Spot 2X

Code: I227000010

The ADJ Focus Spot 2X is a 100W LED Moving Head with a 3W UV LED included for black lighting or additional color hues. It features two prism effects; a 6-facet circular prism and a 6-facet linear prism. In addition, ADJ has fitted the FS2X with a GOBO wheel with replaceable, rotating and indexable GOBOS. The GOBOS are easy to replace by removing the top housing with one screw that's on a hinge. GOBOS easily lock in and out of the GOBO wheel. This mover is also equipped with motorized focus and a manual zoom from 16 ~ 19 degrees. It has 16 & 18 DMX channel modes, Pan/Tilt Inversion, 16-Bit Fine Pan/Tilt, 3-pin DMX In/Out, Power Twist In/Out power connectors, and a 4-Button DMX LCD menu.

The Focus Spot 2X is fitted with 8 colors plus spot and split colors. It has 6 rotating, replaceable GOBO patterns plus spot. The color wheel and GOBO wheel work independent of each other.
